

## Telefónica's startup incubator Wayra is coming to Prague!

After successfully launching 12 academies in 11 countries supporting 170 start-ups around the world, Telefónica's startup incubator **Wayra is coming to the Czech Republic**.

We would like to invite you to this special HUB event where we will explain what Wayra is about, our unique benefits vs. other start-up accelerators, and how start-ups can apply to take part in the next selection.
